### **13. Installation**

- Unpack the product and dispose carefully of packaging materials.
- Use the Extra Large Cushion according to client need. Decide if the client needs to use lying or in a sitting position and if they need assistance transferring to use the item.
- Position in a safe and appropriate place. Ensure that walkways and doors are not obstructed and that the item is not positioned near to sharp edges such as furniture corners etc to minimize potential risk if client/s move around.

## **14. Care and Maintenance**

- Keep away from sharp and pointed objects.
- The Extra Large Cushion is not intended to be jumped on.
- Regularly check the Extra Large Cushion for wear and tear. Discontinue use if damaged until repaired or replaced.

Observe the following:-

1. Organise a regular cleaning schedule.
2. Fabric can be machine-washed at 30°C
3. Tumble dry on low.
4. Make sure the item is thoroughly dry before use

### **FABRIC MAINTENANCE**

If you look after your Extra Large Cushion it should give you many years of service, but please observe the following:-

1. Fabric may wear, tear or “rub off” if subjected to sharp objects or continual rubbing by hard objects. Avoid shoes, buckles or sharp/hard objects.
2. Wipe off accidental marks/liquids using a mild detergent and a damp cloth, avoiding excessive amounts of water. Do not use cleaners with abrasives in them or solvent-based cleaners such as trichloroethane or carbon tetrachloride. Liquid detergents used to wash cups/plates etc. are ideal.
3. From time to time lift the seating area to clean all surfaces and the floor underneath
