- Ensure client is supervised using this product at all times.

## **10. Detailed Description**

This gondola is suitable for most children and adults. It is intended to be used as a seating item to sit comfortably with some support for the back and neck whilst engaging in other activities.

## **11. Safety**

- For indoor use only.
- For daytime use – it is not intended to be slept upon.
- For 3 years and over.
- The Gondola Bean Bag should not be mouthed.
- Remove all packaging before use and store or dispose of this appropriately.
- Keep and use away from sources of heat e.g. fire, radiators etc

Please read all the Safety information below before each use

Remove all packaging and either store this in a safe place out of reach of clients or dispose of this responsibly. Plastic bags and wrapping can be hazardous to children and vulnerable people.

This product contains a bead filling. The beads in the bead filling are small parts and should always remain out of reach. Do not attempt to access the interior part of this product. Never allow children or vulnerable people to access the interior part of this product.

Should any seams or the zip become damaged, contact ROMPA® immediately to arrange repair or replacement. Should the product require re-filling, contact ROMPA® immediately to discuss this.

Keep away from sources of heat and fire.

### **ALWAYS SUPERVISE THE USE OF THIS PRODUCT**

## **12. Technical Specification**

- Material: 100% cotton outer
- Filling: polystyrene
- Size: 110 x 100cm

## **13. Installation**

- Unpack the product and dispose carefully of packaging materials.
- Use the seating area according to client need. Provide assistance if required to transfer to use the item.
- Please ensure that when positioning the Gondola Bean Bag in a space that a risk assessment of the surrounding space has been carried out to ensure the safety of the user and other people. Ensure that walkways and doors are not obstructed and that the item is not positioned near to sharp edges such as furniture corners etc to minimize potential risk if client/s move around.

## **14. Care and Maintenance**

- Keep away from sharp and pointed objects.
- The Gondola Bean Bag is intended to be sat/laid on – not jumped on.
- Regularly check the Gondola Bean Bag for wear and tear. Discontinue use if damaged until repaired or replaced.

Observe the following:-

1. The outer is washable is 40°C.

2. Do not bleach.

3. The outer may be tumble-dried at a low heat.

### **FABRIC MAINTENANCE**

If you look after your Gondola Bean Bag it should give you many years of service, but please observe the following:-

1. Fabric may wear, tear or “rub off” if subjected to sharp objects or continual rubbing by hard objects. Avoid shoes, buckles or sharp/hard objects.
2. Organise a regular cleaning schedule.
3. Wipe off accidental marks/liquids using a mild detergent and a damp cloth, avoiding excessive amounts of water. Do not use cleaners with abrasives in them or solvent-based cleaners such as trichloroethane or carbon tetrachloride. Liquid detergents used to wash cups/plates etc. are ideal.
4. From time to time lift the seating area to clean all surfaces and the floor underneath
