Description

Lovely textured resource that can be used on your lap/table or quickly and easily slotted into one of our two wall mounted frames (20833 Standard, 20834 Cloud).

Care & Maintenance

- Always supervise the use of this product.
- Wipe clean with a soft and very slightly dampened cloth.
- Do not use bleach or abrasive cleaning products.

Installation

Either:

1. The product does not require installation as it is for use on your lap or on a table.

Or:

2. Use in a frame that has been secured to a wall using appropriate fixtures. The squares slot into the metal square-shaped supports on the frames, as shown below.
